

Services and Fee Schedule

2026–2027 · All fees in U.S. dollars

Program Scope

Chanak provides academic support through remote sessions, guided coursework, individualized planning, progress monitoring, assessment, bilingual family guidance, and access to an online learning environment. The parent or guardian selects the service and remains responsible for directing the student's home education program. These offerings do not constitute full-time enrollment in Chanak International Academy and do not include school-of-record services, official school transcripts, credits, or a diploma. All fees are in U.S. dollars and apply only to the Florida offerings described below.

Home Education Academic Support Programs

Pricing and Service Conditions

- This fee schedule is specific to Chanak’s Florida home education service offerings for the 2026–2027 academic year and may differ from prices offered in other countries, currencies, programs, or delivery models.
- Curriculum materials are not included. Chanak provides curriculum recommendations; the parent or guardian selects, approves and purchases any materials separately.
- Families may select eligible services according to their scholarship rules and available funds. Final eligibility and payment authorization remain subject to Step Up For Students requirements.
- This offering does not provide full-time private school enrollment, school-of-record services, official credits, transcripts, or a diploma.
