
Life Skills & Leadership

Christian development for ages 8-17: character, identity, vocation, habits, personal finance, service and leadership. It may be integrated into a Chanak program or taken independently.

What is included

Mentoring, challenges, reflections and documented projects. Integrated participation follows the main program's terms; standalone participation is quoted according to country and scope.

How learning works

Juniors (8-13), Seedling (14), Explorer (15), Builder (16) and Launch (17). Video-call groups may combine stages; a meeting group is not an academic level. Learning is based on projects applied to everyday life.

The family and the team

Students document learning through challenges and projects. Families support participation and mentors give feedback. A Life Skills credit within Dual Diploma requires the planned work and evidence; attendance alone does not award credit.

Institutional standing

FLDOE #134620: private-school registration, not accreditation. MSA-CESS: official candidate; accreditation has not yet been granted. IRS 501(c)(3): nonprofit tax status. Candid Gold 2026: transparency recognition, not educational accreditation.

5. Confirm the individual plan, documentation and payment arrangements.
6. Begin with the agreed support.

Platforms with distinct roles

The learning environment supports resources, activities and evidence. The SIS holds official records for enrolled academic programs. Access and the services included depend on the individual program; independent platforms may require a separate account.

Your next step

Fees for your country

Use the current country/program fee page. Enrollment, assessment, installments, materials and optional services are distinct items. Your final quote is confirmed in writing; this pack does not create a payment obligation.

Ask for guidance first

Tell us your country, the student's age/grade and the service you need. Information requests and admission applications are separate steps. Submitting a form does not confirm admission, scholarship eligibility or payment.

Documents and recognition

Academic records are issued according to the contracted program and completed requirements. An apostille authenticates a document; recognition or equivalence is decided by the receiving authority when required for a specific use.
