
Off-Campus - Guided Homeschool

Christian U.S. K-12 education from home, with structure and mentoring. Chanak is the student's main U.S. school within this program. Families retain the educational responsibilities applicable in their country of residence.

What is included

Academic placement and an individual learning plan (PEI); mentoring; subject-level follow-up; SIS records; report cards and academic records. At high school level, transcripts and a diploma when graduation requirements are met.

How learning works

Mastery Learning provides reinforcement before moving on. Chanak uses an 80% mastery threshold. The 60/20/20 model combines U.S. core studies, Local Extension and Life Skills. A.C.E. is the reference pathway; LIFEPAK, Christian Light and Chanak Flex require review and approval in the individual plan.

The family and the team

The family organizes a daily routine, supports study and communicates difficulties. Mentors review evidence and guide progress. Materials are selected after placement, and their costs are disclosed separately.

Institutional standing

FLDOE #134620: private-school registration, not accreditation. MSA-CESS: official candidate; accreditation has not yet been granted. IRS 501(c)(3): nonprofit tax status. Candid Gold 2026: transparency recognition, not educational accreditation.

Documents and recognition

Academic records are issued according to the contracted program and completed requirements. An apostille authenticates a document; recognition or equivalence is decided by the receiving authority when required for a specific use.
